

# THE SYNC EV CHARGE POINT

is the most discreet Next  
Generation Smart Home Vehicle  
Charger in the UK.

**Complete with a  
3 Year warranty**

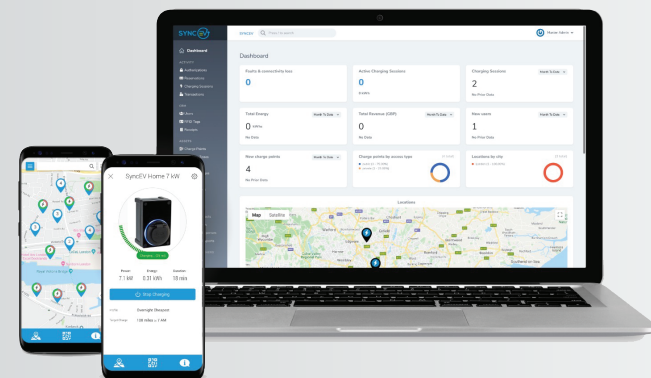

SyncEV Charge Points  
are a leading Manufacturer of  
domestic electric and commercial  
Electric Vehicle Chargers

Our Home Car Charger is reliable, stylish,  
discreet and competitively priced fully  
covered by our 3 year manufacturer  
warranty.

As the majority of the charging of your car  
will likely be at home it is essential that  
you choose a reliable charging  
solution that is discreet and blends into  
your home surroundings and does not  
become an eyesore.

With full OLEV (Office for Low Emission  
Vehicles) approval on our units you  
could be eligible for the OLEV grant  
This Government funded grant can  
provide 75% towards the cost of  
your electric vehicle home  
charging point up to a  
maximum of £350.00
